European Master - University of Rome "Foro Italico"

Piazza Lauro de Bosis 6, 00135 Rome

e-mail: european.master@uniroma4.it

Web: www.uniroma4.it → Ammissione or www.europeanmasterhpa.eu

International Office - e-mail: relazioni.internazionali@uniroma4.it

The program is structured into a one-year general program mainly offered in Rome, and a second year in other locations, focusing on alternative areas of specialisation: Children, Adults, Elderly, each referring to both the general population as well as to special groups, and dealing with such issues as:

- Health and fitness, risk factors and prevention in the general population
- Movement therapy in functional re-education & rehabilitation
- Wellness and coping in disability, chronic disorder, or other limiting conditions
- Maturation and social integration, wellness and creativity, personal growth and expression

First year - 60 ECTS

FOUR TEACHING MODULES IN ROME (3 weeks of intensive teaching each)

1. Biomedical issues in Health and Exercise	5 Oct - 23 Oct'20	15 ECTS
2. Changing behaviour towards a lifelong active lifestyle: from childhood to adulthood	23 Nov - 12 Dec'20	15 ECTS
3. Movement Therapy and Physical Activity for the Elderly and Special Populations	18 Jan - 5 Feb'21	15 ECTS
4. Research Methodology*	8 Mar - 26 Mar'21	15 ECTS

*Students from consortium Universities could earn at their own home institution those credits relevant to topics of Research Methodology, for a total of 15 ECTS.

Second year - 60 ECTS

TWO DIFFERENT SPECIALISATION TERMS AMONG (15 ECTS, 3 weeks of intensive teaching & internship each) Apr-Nov'21 30 ECTS

- Vienna: Physical activity and disease prevention in adults
- Odense: Physical activity and disease prevention in children
- Odense: Physical activity and disease prevention in the elderly
- Cologne: Movement therapy for special populations
- Rome: Movement therapy in orthopaedic rehabilitation
- Oslo: Psycho-pedagogic aspects of preventive physical activity

THESIS Summer 2022 30 ECTS

Admission:

The program is addressed to students with an undergraduate degree in the sport science or related area, with good knowledge of written and spoken English and adequate credentials. A total of 38 students will be admitted, with possible extensions in case of qualified applications. 16 positions are reserved to students from partner universities. 7 additional positions are restricted to non-European students. Wide international participation is encouraged.

Fees & Support:

All international students are entitled to the same student assistance services as Italian students, on the basis of the same requisites of financial means and/or merit. This applies to scholarships, student loans, housing assistance, and fee waivers.

The tuition fees amount is payable in two instalments:

- First instalment fee: € 481,13 (enrolment national tax, insurance), to be paid when you enrol;
- Second instalment fee: from € 0,0 to € 1.662,52 depending on the family income.

First two higher candidates in the ranking lists from each consortium university will be exempted from payment of university fees but IT Services and Regional Tax DSU and virtual duty stamp (total € 156,00) provided they comply each year with specific merit requirements. Additional students from consortium universities, with the exception of Italian students, are allowed to pay taxes and contributions of the two-year course in a single fixed settlement of € 3.200,00.

Single Modules:

Candidates meeting admission requirements can be admitted to single modules on payment of € 800,00.

Applications:

Students from the Universities of Cologne, Odense, Oslo, Vienna will be selected by their respective local coordinators, subject to the number of positions available.

Students from University of Rome "Foro Italico" and all other students should submit their application and documents to the head office in Rome.

The deadline for the application is 20 July 2020 at 13:00 (Central European Summer Time). Applicants will be immediately notified about selection procedures, which will be completed by 28 July 2020.

The program starts on Monday 5 October 2020*.

*In compliance with specific directions from the governments of partner countries that could modify rules and regulations towards social distancing, as well as national and international mobility, lessons will be delivered by telematic modality"
